CEO Gender Equality Conference

21 June 2018, Luxexpo

Gender Equality :

Creating an inclusive workplace – CEO Perspective :

- How can you create an inclusive leadership environment ?
- Unconscious bias – how does this impact gender equality ?
- The danger of popular myths and beliefs about the sex differences in attitudes and behaviors
- Inclusive recruitment process to reach gender equality :
 - Internal recruitment
 - External recruitment
 - Key challenges

Setting the Scene - Board Perspective :

- The Integration of work between the board and the management (The strategic agenda, the dynamic in the boardroom)
- The interaction between the owners and the board :
How to secure diversity in the board - talent and recruitment processes ?
How can public companies act as role models?
Should gender balance be implemented by law?
- Can gender balance help enterprises to be sustainable?

This conference targets CEOs, MDs, Country Heads, Board Members, HR Directors and Diversity Managers.
